## HELP SUPPORT CWLA BY BOOKING THIS INSPIRING SPEAKER

THE next time you **NEED A COMPELLING SPEAKER** for an annual meeting, fund-raiser, executive retreat, a seminar or presentation to volunteers, donors or staff, *look to someone* who has been through many of the things the children in your care have experienced.

Bob Danzig has been called **inspiring, practical** and a **MASTERFUL STORYTELLER**. *His life itself is an inspiration.* Raised in five foster homes, Bob earned his college degree at night and on weekends before joining a local newspaper as an office boy. He rose to head the Hearst Corporation Newspapers Division. Now he is a nationally renowned keynote speaker with a **SPECIAL OFFER** just for CWLA members.

(Each speaking engagement returns fifty cents of each dollar to CWLA)

When a member agency retains Bob, fifty percent of his \$7,000 engagement fee will go **directly to CWLA**. The other half will support foster care children in college and help talented young musicians.

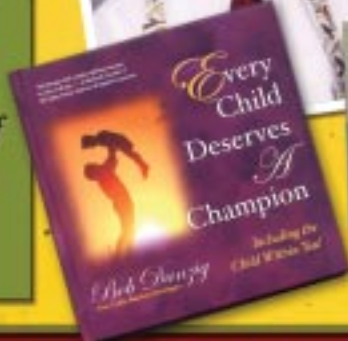

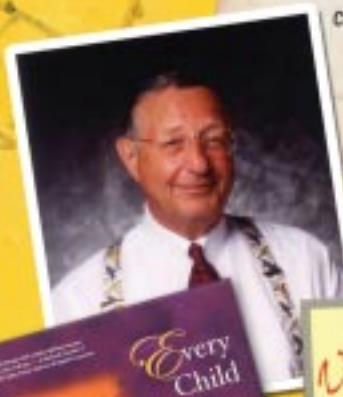

I believe this offer is a win-win-win. I hope you agree.

Bob Danzig

### SPECIAL FREE GRATITUDE PRESENTATION FOR CORPORATE SPONSORS

Bob will give a **FREE** leadership forum to any business or organization that sponsors one of his presentations for a member agency. **AND REMEMBER**, half the engagement fee goes straight to CWLA.
