

Our Mission and Vision

We are the Child Welfare League of America. It is our highest mission to ensure the safety and well-being of children and families. We advocate for the advancement of public policy, we set and promote the standards for best practice, and we deliver superior membership services.

Our vision is every child will grow up in a safe, loving, and stable family. CWLA will lead the nation in building public will to realize this vision.

As an organizational value, we are committed to excellence in all we undertake with an emphasis on providing services that are highly valued and that enhance the capacity and promote the success of all those we serve.

Your Partner in Excellence!

We are committed to excellence in all we undertake, with an emphasis on providing highly valued services that enhance the capacity and promote the success of the children we serve.

We provide:

- the most powerful national advocacy voice in the country for children and families,
- a network for public and private member agencies to work together toward a common goal,
- expert accreditation support with discounts to national accrediting bodies,
- outstanding national and regional conferences,
- consultation and technical assistance by nationally recognized experts in the field,
- up-to-date information on best practices for programs and organizational leadership,
- superior networking and opportunities for you to share your expertise with other national leaders,
- professional development and training for you and your entire organizational team,
- exceptional publications,
- cutting edge research and program evaluation, and
- regional offices throughout the country to provide local support.

Membership Connects You With:

- the largest membership and advocacy organization in the country focusing on the well-being of children and families,
- more than 3.6 million people motivated by the goal of protecting every child from harm,
- over 800 members devoted to excellence in the child welfare field, and
- the critical resources your organization needs to thrive in today's changing environment.
